Zelle Network® Standard Terms

1. Description of Services

- a. We have partnered with the Zelle Network® (“Zelle®”) to enable a convenient way to transfer money between you and others who are enrolled directly with Zelle® or enrolled with another financial institution that partners with Zelle® (each, a “User”) using aliases, such as email addresses or mobile phone numbers (the “Service”). We will refer to financial institutions that have partnered with Zelle® as “Network Banks.”
- b. Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transmitted by a Network Bank.
- c. THE SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE SERVICE TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.
- d. The term “We” may be used interchangeably with “Community Bank”, “Community Bank, N.A.”, “Us”, or “Our” throughout this document, as applicable.

2. Eligibility and User Profile

When you enroll to use the Service you agree to the terms and conditions of this *Agreement*. You represent that you have the authority to authorize debits and credits to the enrolled bank account.

You agree that you will not use the Service to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law, and you agree that you will not use the Service to request money from anyone for any such payments. You agree that you will not authorize a third party to use the Service or share your credentials with a third party to use the Service on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney.

The Service is intended for personal, not business or commercial use. You agree that you will not use the Service to send or receive payments in connection with your business or commercial enterprise. We reserve the right to decline your enrollment if we believe that you are enrolling to use the Service with your business account or to receive business or commercial payments. We further reserve the right to suspend or terminate your use of the Service if we believe that you are using the Service for business or commercial purposes, or for any unlawful purpose.

Content Standards: You agree that you will not upload or provide content or otherwise post, transmit, distribute, or disseminate through the Service any material that: (a) is false, misleading, unlawful, obscene, indecent, lewd, pornographic, defamatory, libelous, threatening, harassing, hateful, abusive, or inflammatory; (b) encourages conduct that would be considered a criminal offense or gives rise to civil liability; (c) breaches or infringes any duty toward or rights of any person or entity, including rights of publicity, privacy or intellectual property; (d) contains corrupted data or any other harmful, disruptive, or destructive files; (e) advertises products or services competitive with Zelle®, as determined by Zelle® in its sole discretion; or (f) in Zelle®’s or our sole judgment, is objectionable, restricts or inhibits any person or entity from using or enjoying any portion of the Service, or which may expose us, Zelle® or our respective affiliates or customers to harm or liability of any nature.

Although neither we nor Zelle® have any obligation to monitor any content, both we and Zelle® have absolute discretion to remove content at any time and for any reason without notice. We and Zelle® may also monitor such content to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to content that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any content, including any loss or damage to any of your content. We and Zelle® make no representation or warranty that Content uploaded to a User profile accurately identifies a particular User of the Service.

The Service may include functionality for you to add a unique alpha-numeric identifier to your registered User profile to be used in lieu of your phone number or email address when sending or receiving money, which will be your “Zelle® tag.” You will be limited to one Zelle® tag per bank account, and each Zelle® tag

must have one U.S. mobile phone number or email address associated with it. Your Zelle® tag must meet the Content Standards. You may not select a Zelle® tag that misleads or deceives other Users of the Service as to your identity, or otherwise. Although neither we nor Zelle® have any obligation to monitor User Zelle® tags, both we and Zelle® have absolute discretion to remove a User Zelle® tag at any time and for any reason without notice. We and Zelle® may require you to change your Zelle® tag in our sole discretion, and we may elect to make a Zelle® tag unavailable to you, without any liability to you. We and Zelle® may also monitor User Zelle® tags to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to a Zelle® tag that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any User Zelle® tags, including any loss or damage caused thereby. We and Zelle® make no representation or warranty that a User Zelle® tag accurately identifies a particular User of the Service. We respect the intellectual property of others and require that users of the Service comply with relevant intellectual property laws, including copyright and trademark laws. We may, in appropriate circumstances and at our discretion, limit or terminate the use of our products or services for users who use or publish Content on the Service that is subject to intellectual property rights claims.

We may modify, add to, remove, or amend the Service and these Standard Terms from time to time at our sole discretion. Notwithstanding language in any other agreements that we may have with you, and except as otherwise required by law, we will post changes to the terms of this Zelle Agreement or the Service via updates on our website at cbna.com. Changes may further be communicated using other commercially reasonable means, as we may elect from time to time. In the event of any changes, updates or modifications, you are responsible for reviewing them and understanding how the change may impact your rights, obligations, or utilization of the Service, as modified. If you do not agree to any changes that are made, you must discontinue your use of the Service. Unless clearly stated otherwise, you understand and agree that you will remain subject to the Account Agreement – Terms and Conditions, Fee and Service Charge disclosure, and other disclosures that are provided in connection with your deposit account.

You agree that you are the legal owner of the Accounts and other financial information which may be accessed via Digital Banking. You agree not to misrepresent your identity or your account information and you understand that you are required to keep your personal contact information current and up to date for this purpose. You agree to keep us informed of changes to your email address and other personal contact information on file. You also agree that you are an authorized user of the Device on which the Service is running.

3. Consent to Share Personal Information (Including Account Information)

You understand and agree that we may share information with Zelle®, other Network Banks, and other counterparties, for the purposes permitted in the Zelle Network® Participation Rules, in accordance with customary processes and procedures, and as permitted by law.

4. Privacy and Information Security

We make security and the protection of your information a top priority. You can access our Privacy Policy here at <https://cbna.com/privacy-policy> and our Information Security details here at <https://cbna.com/security/online-security>.

User Security

You agree to take every precaution to safeguard and ensure the safety of your identity, Accounts, transactions and confidential user access credentials and passwords when using the Community Bank, N.A. Digital Banking solution. You agree to never give your personal information, Account information, or user access credentials and passwords to anyone you do not know, whose identity you cannot verify, or who is unauthorized to conduct transactions on your Account(s). We will never contact you and ask you to give us your Account information, including account numbers, usernames, passwords, personal identification numbers or token information, etc. over the phone, by email, or by text message. You agree not to disclose your personal information and account information to unknown persons through these or any other channels for any reason. You are ultimately responsible for keeping your user access credentials and Account information confidential. Unless required by law, we or our agents will not be

liable for any damages or losses because of your failure to comply with this Agreement or your obligations under our various agreements. Additionally, we are not obligated to investigate transactions and refund payments that you initiated, even if you were induced to make the payment by fraud. We are only obligated to investigate and refund payments for “unauthorized” transactions, which are transactions initiated by a third-party who has secured access to your account. Please refer to our Account Agreement – Terms and Conditions, Online Banking User Agreement, Electronic Fund Transfers Act Disclosure, and other disclosures provided to you in relation to your deposit account(s) for more detailed information about your obligations, potential liability, rights, and other relevant information. These documents are available at: <https://cbna.com/agreements-and-disclosures>.

5. Wireless Operator Data

We or Zelle® may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Service. By using the Service, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to disclose your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status and device details, if available, to our third party service provider solely to allow verification of your identity and to compare information you have provided to us or to Zelle® with your wireless operator account profile information for the duration of our business relationship.

6. Enrolling for the Service

- a. You must provide us with an email address that you regularly use and intend to use regularly and a permanent U.S. mobile phone number that you intend to use for an extended period of time. You may not enroll in the Service with a landline phone number, Google Voice number, or Voice over Internet Protocol.
- b. Once enrolled, you may:
 - i. authorize a debit of your account to send money to another User either at your initiation or at the request of that User; and
 - ii. receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section below titled “Requesting Money.”
- c. If at any time while you are enrolled, you do not send or receive money using the Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Service until you enroll again.
- d. Once enrolled, a Z logo will appear on your profile picture for each U.S. mobile number and/or email address that you have enrolled with Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle®. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll with Zelle®.

7. Consent to Emails and Automated Text Messages

By participating as a User, you represent that you are the owner of the email address, U.S. mobile phone number, Zelle® tag, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, U.S. mobile phone number, Zelle® tag and/or other alias to send or receive money as described in this Agreement. You consent to the receipt of emails or text messages from us, from Zelle®, from other Users that are sending you money or requesting money from you, and from other Network Banks or their agents regarding the Services or related transfers between Network Banks and you. You agree that we may, Zelle® may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees.
- b. You will immediately notify us if any email address or mobile phone number you have enrolled is (i) surrendered by you, or (ii) changed by you.
- c. In the case of any messages that you may send through either us or Zelle® or that we may send or

You understand and agree that any emails or text messages that we send or that Zelle® sends on your behalf may include your name.
- d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.
 - e. To cancel text messaging from us, send STOP to 53608. For help or information regarding text messaging, send HELP to 53608 or contact our Customer Care Center at 866-764-8638 M-F 8am-6pm ET. You expressly consent to receipt of a text message to confirm your “STOP” request.
 - f. Supported Carriers: Most major wireless carriers are supported. Please contact us if you have a question or concern about your carrier.
 - g. We shall not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.
 - h. You will immediately notify us if any email address or mobile phone number you have enrolled becomes compromised.

8. Receiving Money; Money Transfers by Network Banks

Once a User initiates a transfer of money to your email address, mobile phone number, or Zelle® tag enrolled with the Service, you have no ability to stop the transfer. By using the Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled.

Most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Banks, we may need or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e., email, push notification).

If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Agreement and the procedures of the business or government agency that is sending you the payment.

9. Sending Money; Debits by Network Banks

You may send money to another User at your initiation or in response to that User’s request for money. You understand that use of this Service by you shall at all times be subject to (i) this *Agreement*, and (ii) your express authorization at the time of the transaction for us to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it. You may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Service. If the person you sent money to has already enrolled with Zelle®, either in the Zelle® mobile app or with a Network Bank, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked.

In most cases, when you are sending money to another User, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Banks, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with Zelle®, either in the Zelle® mobile app or with a Network Bank, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur.

The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e., email, push notification).

We have no control over the actions of other Users, other Network Banks or other financial institutions that could delay or prevent your money from being delivered to the intended User.

10. Liability

Neither we nor Zelle® shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or Zelle® to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor Zelle® shall be liable for any typos or keystroke errors that you may make when using the Service.

THE SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE ZELLE® TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. ZELLE® DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH THE SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED).

Unless required by law, we and our agents will not be liable for any damages or losses because of your failure to comply with this Agreement or your obligations under our various agreements. Because Zelle is a convenient and quick way to make payments, criminals may try to convince you to make fraudulent transfers using the Service. We are not obligated to investigate transactions and refund payments that you initiated, even if you were induced to make the payment by fraud. We are only obligated to investigate and refund payments for “unauthorized” transactions, which are transactions initiated by a third-party who has secured access to your account. Please refer to our Account Agreement – Terms and Conditions, Online Banking User Agreement, Electronic Fund Transfers Act Disclosure, and other disclosures provided to you in relation to your deposit account(s) for more detailed information about your obligations, potential liability, rights, and other relevant information. These documents are available at: <https://cbna.com/agreements-and-disclosures>.

11. Send Limits

Send amount and frequency limits will apply and are subject to change at our sole discretion and with or without notice. To inquire if a proposed transaction will fall within our current limits you may call our Customer Care Center at 866-764-8638 M-F 8am to 6pm ET, start a conversation in Digital banking, or you can email us at corpcom@cbna.com

12. Requesting Money

You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle® may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

By accepting this Agreement, you agree that you are not engaging in the business of debt collection by attempting to use the Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers agents and Network Banks from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.

You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.

We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

In addition to terminating your ability to send requests as set forth in the preceding paragraph, we further reserve the right to suspend or terminate your access to the Service.

23. Governing Law; Choice of Law; Severability

This Zelle Agreement will be governed by federal law and by applicable state law without reference to principles of conflict of laws. Applicable state law shall govern only to the extent not preempted or superseded by federal laws, rules, or regulations. The applicable state law will be the law of the state where the account was opened. If your account is not opened in person and if we have a deposit-taking branch in the state of your residence, the law of the state of your residence shall govern, otherwise the law of the state of our home office shall govern. In addition to the laws as described above, this Agreement and your account may also be subject to applicable federal regulations and other rules such as the operating letters of the Federal Reserve Banks and payment processing system rules. This body of laws, regulations, rules, etc. collectively may be referred to as "law" or "applicable law", however, the body of applicable law that governs our relationship with you, is too large and complex to be reproduced here. Except as specifically set forth in subsection 5 of the Arbitration Provision contained within your Account Agreement – Terms and Conditions, in the event that any provision of this Agreement is held to be invalid for any reason, such holding shall not affect the enforceability of any other provision and all remaining provisions will continue in full force and effect. The provisions of this Agreement are intended to apply to the maximum extent permissible. To the extent that any provision of this Agreement is or would be limited, modified, or altered by an applicable law, you and we agree that said provision will be modified, but only to the extent required to comply with applicable law. For example, certain applicable laws (e.g., federal regulations) apply only to "consumers" (or such other similar term as defined in the applicable law). Therefore, these terms and conditions may differ based on whether your account is a consumer or non-consumer account. Unless otherwise stated, if there is a conflict between this Zelle Agreement and other Bank documents/disclosures, the terms of the other Bank documents/ disclosures (including but not limited to the Account Agreement – Terms and Conditions) shall govern.
